

AN INVITATION TO BUILD TOGETHER

Be one of ten. Let us grow together.

I am inviting you to help bring useful conversations about faith, finance, and relationships to our community. We can help listeners discover your business while we grow together.

Partnership begins December 7, 2026.

Sponsorship closes November 10, 2026.

MEET THE SHOW

A podcast about the lives we are building.

It's Possible Podcast is where I sit down with people whose stories and experience can help someone else take a step forward. We talk about faith, finance, and relationships because those conversations shape the choices we make every day.

I am Wilken Dorcilien, a financial educator, enrolled agent, and entrepreneur. I know what it means to keep believing in a future you cannot yet see. I want every conversation to leave someone with a useful idea, a new perspective, or the courage to try.

WILKEN DORCILIEN / HOST

OUR VISION

A community where meaningful stories and practical knowledge help people move forward and open doors for one another.

OUR MISSION

Bring honest stories and useful information about faith, finance, and relationships to our community in English and Haitian Creole.

OUR VALUES

Practical education. Respect for every story. Trust. Shared growth.

WHY PARTNER WITH US?

Your business stands alongside conversations meant to serve people. Listeners hear your name weekly, find your dedicated page, and can discover how you help. You also connect with fellow businesses through our Referral Network, quarterly gatherings, and private introductions.

HERE IS WHAT WE WILL BUILD

One English episode a week, starting December 7, 2026.

01 A mention in every episode

Wilken acknowledges your business in the sponsor section of every published English episode during your 12-month term.

02 A link below each new video

Your business name and a link to your dedicated page appear in the YouTube description of each new English episode during your term.

03 A dedicated page for your business

Your story, services and contact links have a home on our website. You can also add a short introduction video to your Network presentation.

04 One business in your category

Only ten founding sponsors are invited. You are the sole sponsor in your agreed business category during the term.

05 Network membership is included

Your Referral Network membership is included throughout the sponsorship, with no additional monthly membership fee.

06 Quarterly events and private referrals

Join quarterly networking events at no additional charge. In the private partner space, share introductions and track progress with fellow sponsors.

I would love to hear your story.
